Creating opportunities. Building new realities.

1 July 2010

A chance to build success with **unlimited opportunity.**

MSP Developments is a dynamic fast-growing company, at the forefront of developing affordable housing.

With a track record of successfully selling quality developments, MSP is continuing to change the face of South Africa, with numerous new developments under construction or in planning.

To meet this rapid expansion we require new sales executives, to be employed at a **basic salary PLUS unlimited commission incentives**. MSP provides quality in-house training and administrative support to ensure that our sales executives build success in their MSP career.

You are probably quite happy with your present company, and MSP certainly doesn't seek to poach agents from companies that value and invest in them. However, if you know of anyone who may be interested in joining the vibrant team at MSP as a sales executive, please pass this communication on to them, so that they can submit their CV's to barry@mspd.co.za.

Your assistance in this regard is greatly appreciated and we wish you continued success.

Warmest regards,

mspDEVELOPMENTS
